

WORKPLACE BULLETIN

It pays off to be a member of the Industrial Union

Did you know that as a member of the Industrial Union you are entitled to monetary benefits? Being a member not only entitles you to support in employment matters, but also to discounts and benefits that you can use outside of work, like on holidays.

For a full list of the benefits, check out your mobile membership card or go to

www.teollisuusliitto.fi/en/membership-benefits
